EVENT PROFILE

‘CEMS Global’ brings to you ‘5th POULTRY & LIVESTOCK BANGLADESH INTERNATIONAL EXPO 2022’ scheduled to be held from 13 – 15 October 2022 will be glittering showcases of the Poultry, Dairy, Livestock & Aquaculture based products and service industry. Poultry is one of the most important sectors of agriculture in Bangladesh for maintaining the need of protein and nutrition. It was in 1995 that the poultry industry started in an organized manner in Bangladesh. In just 22 years the industry has seen exponential growth. There are over a hundred thousand poultry farms, small and large, across the country. Alongside poultry, the fisheries and livestock sectors are two major pillars of Bangladesh’s economy, and more than 10 million people directly depend on these sectors for their livelihoods. These sectors are important for food, nutrition, income, export earning, etc. ‘5th POULTRY & LIVESTOCK BANGLADESH INTERNATIONAL EXPO 2022’ will reveal to the country, the rapid developments in the industry as well as the new technology components. The neat layouts of the show will provide ample opportunity to the consumers of the industry to see the latest offerings in the market as well as the business visitors to carry out networking in a highly enabled environment. The Poultry and Livestock based products and service industry is therefore not only a networking ground but also a place to find business partners and strategic alliances for manufacturing, outsourcing, sub-contracting, design and development as well as direct marketing. ‘5th POULTRY & LIVESTOCK BANGLADESH INTERNATIONAL EXPO 2022’ will be a perfect platform for Manufacturers & Suppliers to showcase their Poultry & Livestock products/services and the Expo will assemble agents, distributors, importers, trading companies, wholesalers, retailers, hotels, business representatives, restaurants and of course the consumers as well as other bulk purchasers from around the world.

WHY BANGLADESH? WHY NOW?

Agro industry is a rapidly growing sector in Bangladesh, employing a significant portion of the labor force in the country. Between 2004 and 2010, the poultry and livestock industry in Bangladesh grew at a significant rate every year. There is an estimated 150,000 poultry farms in Bangladesh. From 2 to 4 March 2017, Poultry Science Association Bangladeshi branch held the tenth International Poultry Show and Seminar in Bashundhara Convention centre, Dhaka, Bangladesh. The farms annually produce 570 million tonnes of meat and 7.34 billion eggs. Poultry feed is made mostly from imported soybean and soy meal. Per capita consumption of meat and egg remain below the level recommended by the Food and Agriculture Organization. Livestock population in Bangladesh is currently estimated to comprise 25.7 million cattle, 0.83 million buffaloes, 14.8 million goats, 1.9 million sheep, 118.7 million chicken and 34.1 million ducks.
